

SMARTIFY

Smartify integration guidelines for Marketo users:

While configuration details will vary based on the scope of the integration, in general we will need the following items:

OAuth Authentication Token - <http://developers.marketo.com/blog/quick-start-guide-for-marketo-rest-api/>

The End Point for our system to use - <http://developers.marketo.com/blog/quick-start-guide-for-marketo-rest-api/>
